List of NG suppliers for technical assistance in disposal of disused NG sources

Institution(s) possessing disused Nucleonic Gauge sources, if find it difficult to complete the disposal procedure of such sources due to non-availability of the trained personnel, may approach the following NG- Suppliers (if required), who have agreed to provide technical support for getting the NGs disposed at authorised disposal facilities. The assistance includes guidance for disposal of the disused sources with regard to packaging of transport container for disused sources, complying the transport regulation (national / international) for safe transport of disused sources either to OEM or BRIT, ensuring safety & security of the sources etc. It is to be noted that ensuring safety and security of radioactive sources is the responsibility of the institution (being the custodian of the sources) till it reaches to disposal facility. It may also be noted that the institution first approach to their respective supplier for assistance regarding disposal, if available.

LIST OF NUCELONIC GAUGE(NG) SUPPLIERS FOR TECHNICAL ASSISTANCE ON DISPOSAL OF DISUESED NGs
