

ATOMIC ENERGY REGULATORY BOARD

Gamma Irradiation Facility Sealed

DAE Enforcement team consisting of senior AERB officials, led by Shri Sanjay Kaware, Station Director, NAPS, in co-ordination with local administration, sealed a gamma radiation processing facility of M/s Impartial Agrotech Private Limited, located in the Dahi police station area of Unnao, on 26/11/2025. The facility has been non-functional for long and has not initiated actions towards safe management of radiation source as required under Atomic Energy (Radiation Protection) Rules, 2004.
