

38th DAE Safety & Occupational Health Professionals Meet, 2022

The Department of Atomic Energy (DAE) Safety & Occupational Health Professionals Meet is conducted every year to emphasise the need for industrial and occupational health in the constituent units of Department of Atomic Energy. The yearly meets are generally organised jointly by AERB with a constituent DAE unit and with specific identified themes.

This year the meet was jointly organized by Atomic Energy Regulatory Board (AERB) and NPCIL during December 19-21, 2022, at Kakrapar Site. The themes of industrial safety selected for this year are:

- Self-realization for Safety Culture related to industrial safety
- Occupational Health Hazards, its monitoring and Control

Chairman, AERB inaugurated the meet and delivered the keynote address. AERB Safety Awards for the year 2021 were presented to the winner DAE units. Booklets elaborating themes of the Meet, Occupational Injury Statistics & Fire Statistics of DAE units for the year 2021 and Souvenir were released.

An exhibition showcasing occupational & fire safety related equipment manufactured by various private industries was also arranged during the Meet. Stalls of AERB, NPCIL & BARC were also showcased in the exhibition.

Around 100 delegates from various DAE units & aided institutes participated in this meet in-person while 40 attended through on-line mode.

Distinguished speakers from the field of industrial safety and occupational health delivered talks which proved to be of immense value to the audience

Shri G Nageswara Rao, Chairman, AERB while delivering the Key Note Address
