Mrs. Ponnamma Samuel joined BARC on 28.10.1970 as LDC and was promoted to various positions and continued working in BARC (Mumbai and Tarapur), till she was promoted and posted as Pay & Accounts Officer in AERB on 11.02.2003. She worked in AERB till her superannuation on 30.06.2007.

She had a very good association with AERB. During her tenure in AERB she contributed a lot in smooth functioning of Accounts Section which includes Salary and various allowances, timely issuing Pension Payment Orders (PPOs) to AERB employees.

The staff of Atomic Energy Regulatory Board will forever remember the dedication and sense of responsibility she displayed while serving AERB. AERB employees, who have worked with her, have greatly benefitted from her guidance and motivation. Her AERB, as an organisation, treasures the contributions of Mrs. Samuel during her association with us.

All those associated with her in AERB and BARC offer their deepest condolences to the bereaved family members and pray that May Her Soul Rest in Peace.
